

Environmental Policy

Brothers Cleaning Group recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy and operating methods.

Responsibility

Morgan Limpus, is responsible for ensuring that this environmental policy is implemented, however, all employees have a responsibility in their area to ensure that the aims and objectives of this policy are met.

Policy Aims

We endeavour to:

Comply with all relevant regulatory requirements. Continually improve and monitor environmental performance. Continually improve and reduce environmental impacts. Incorporate environmental factors into business decisions. Increase employee awareness and training.

Paper

We will:

Seek to buy recycled and recyclable paper products. Reuse and recycle all paper where possible.

Energy and water

We will seek to:

Switch off lights and electrical equipment when not in use. Adjust heating with energy consumption in mind. Take energy consumption and efficiency of new products into account when purchasing them. The fitting of uni-valves on all carbon fibre Reach and Wash Cleaning poles. Estimating water consumption of jobs and storing water for up to 1 week for re-use.

Office supplies

We will:

Evaluate the environmental impact of any new products we intend to purchase. Favour more environmentally friendly and efficient products wherever possible. Reuse and recycle everything we are able to.

Transportation

We will:

Route plan to reduce our carbon footprint. Only carry water when required. Favour 'green' vehicles if possible and maintain them rigorously to ensure ongoing efficiency.

Maintenance and cleaning

We will:

Use cleaning materials that are as environmentally friendly as possible. Follow guidelines on Safety Data Sheets.

Monitoring and improvement

We will:

Comply with all relevant regulatory requirements. Continually improve and monitor environmental performance. Continually improve and reduce environmental impacts. Incorporate environmental factors into business decisions. Increase employee awareness through training.

Culture

We will:

Update this policy at least once annually in consultation with staff and other stakeholders where necessary. Provide staff with relevant environmental training.
